

List of Recognised Testing Institutes* according to the requirements of the respective Basic Award Criteria

DE-UZ 12a	Low-emission and low-pollutant Varnishes
DE-UZ 38	Low-Emission Furniture and Slatted Frames made of Wood and Wood-Based Materials
DE-UZ 76	Low-Emission Panel-Shaped Materials (Construction and Furnishing Panels) for Interior Construction
DE-UZ 113	Low-Emission Floor-Coverings Adhesives and other Covering Materials
DE-UZ 117	Low-Emission Upholstered Furnitures
DE-UZ 119	Mattresses
DE-UZ 120	Elastic Floor Coverings
DE-UZ 123	Low-Emission Sealants for Interior Use
DE-UZ 128	Low-Emission Textile Floor Coverings
DE-UZ 132	Low-Emission Thermal Insulation Material and suspended Ceilings for Use in Buildings
DE-UZ 148	Leather
DE-UZ 156	Low-Emission Flooring Underlays
DE-UZ 176	Low-Emission Interior Floor Coverings, Panels and Doors made of Wood and Wood-Based Materials
DE-UZ 198	Low-Emission Internal Plasters

* Testing institutes shall be considered appropriate if their equipment includes the necessary appliances and a quality management system is established or if they are accredited for these tests and have proved their capability to do such testing by successfully participating in corresponding ring tests. Compliance with these requirements must be proven to the Bundesanstalt für Materialforschung und -prüfung (Federal Institute for Materials Research and Testing, Division for Materials and Air Pollutants).

Dated June 2024

1) Emission test DIN EN 16516

2) Emissions **and** odour test DIN EN 16516 and DIN ISO 16000-28

3) Odour test DIN ISO 16000-28

In addition to the above-listed institutes the following institutes meet all requirements for the execution of these tests:

The Federal Institute for Materials Research and Testing (BAM) acts as a reference measurement laboratory. The Hochschule für Technik und Wirtschaft Berlin (HTW) supports BAM in questions of odour testing.

The Federal Environmental Agency (UBA) only deals with matters that are of particular significance as regards indoor air hygiene.
